

Ami Ebright Candidate Statement:

I have been a member of the Santa Cruz business community for nearly two decades. As such, I am proud of the values of our strong civic-minded businesses. My focus is in Real Estate and Lending. Having worked in the industry for many years, I have a unique appreciation for our community and the good people of Santa Cruz County.

As a recent member of an advisory committee for a micro-lending company, I have been able to witness the enormous impact that a relatively small loan can make on a new business. I look forward to contributing my experience and expertise in any way possible to the Credit Union.

Giving back has always been important to me. Today, I share my time between my locally owned business and volunteering as an advisory committee member for Girls Inc. of the Central Coast and for the Community Foundation as part of the Diversity Partnership Advisory Committee team. It would be an honor to serve the Credit Union and my community as a volunteer member of the SCCCUCU Board of Directors.
