THE BOARD OF DIRECTORS

The Board of Directors is a volunteer group of members who provide strategic leadership for the Credit Union – a financial cooperative. The Credit Union’s chartered field of membership includes all of Santa Cruz County and the most northern areas of Monterey County. We prefer members of our Board of Directors have a general understanding of finance, lending, and business organization. And while the following is not required, they are all helpful when serving as a Board member:

- A personal focus on helping people
- Outreach with the purposes of ensuring economic opportunities for all
- Community involvement
- Local and regional economic organizational participation
- Small business assistance and job creation efforts
- Understanding of economic development in Santa Cruz and Monterey Counties, such as agriculture and education.
